## Discover the Space Travel Summit

This is where the space economy becomes everyone's business.

On **8–9 December 2025**, Dubai sets the stage for the Space Travel Summit (STS) a 2 day high-level platform for industry leaders, innovators, and technical experts shaping the global space economy.

STS welcomes every voice contributing to the next wave of innovation in commercial space, space tourism, technologies and beyond.

Space Travel Summit is a platform where momentum accelerates, ideas evolve, and the Spaceblazer community thrives.

Attend to explore. Engage to collaborate. Partner to lead.

## The Ecosystem We Bring Together

Across two impactful days, you'll connect with the industry professionals who are driving the space economy forward through visionary strategy, transformative technologies, and global partnerships.
